Bio

Yvette began entertaining audiences with her ventriloquial skill at the age of 9. Her first big challenge came at the World Modelling Association Talent Competition in New York City at the age of 10. That 1st place trophy sent Yvette on to a promising career.

Yvette won the Junior Competition at the International Ventriloquist Convention and was the 1st Canadian to win the Senior Division. Yvette has been invited to represent Canada, perform and sit on a panel of experts at the International Ventriloquist Convention since then.

Yvette is a versatile performer and has even been a spokesperson for Ford of Canada. She toured the Canadian Auto Shows marketing Ford's new vehicles.

During Yvette's 13 year career at Canada's Wonderland, her show was awarded "The best show in the park" by unsolicited guest comments.

Having worked extensively with children her most recent accomplishment has been the launch of safety programs for school aged children. Her programs include: Anti-Bullying, Self Esteem Building and Building a Caring Community in the school.
